To the North, the Brunswick River is a popular spot for fishing and boating activities and features a sandy beaches. Beautiful stretches of sandy beaches can also be found across the Brunswick River, to the North. Byron Bay International Film Festival

From 2nd-11th of March, the 6th Byron Bay International Film Festival (BBFF) will screen over 170 films and will feature introductions and Q & A sessions with the filmmakers.

Also featured at the festival is a Gala Red Carpet Opening Night, Closing Party showcase nights, free workshops and panels, primary and secondary school screenings, a balcony bar for the audience and filmmakers to meet, and an expanded program in Lismore.

This is shaping up to be the festival's biggest year yet, after having received over 900 film entry submissions, which left Festival Director J'aimee Skippon Volke the difficult job of deciding which films to feature at the festival.
